

## Berkley Legal Support Program for Sonography Canada

Miller Thomson On Call™ – Berkley Legal Support Program is a unique program designed for Berkley Canada insureds. We provide **24/7 consultation with respect to professional malpractice claims or potential claims and/or investigations or disciplinary actions from your professional body**. Our legal experts are moments away with practical and timely advice on all areas of risk covered by your insurance program. **We like to call it the Miller Thomson On Call™ Advantage.**

### What's the Miller Thomson On Call™ Advantage?

- **Access:** Access to our dedicated legal counsel through our hotline or dedicated email
- **Value:** Access to preliminary legal support and telephone advice as part of your program
- **Urgent support:** Access our after-hours hotline for urgent legal matters

### What are the Advantages of Calling?

- Reduce risk of litigation and risk mitigation
- Identify potential liability issues
- Protect information gathered and documents generated by investigation from disclosure
- Determine recommended manner of investigation

### Who's On Call?

**We're all on call.** Please contact:

Miller Thomson On Call™ Hotline: **1.800.387.4452**

Urgent After Hours: **647.281.7091**
